

# A Toy Story

Year 2 - Summer Term 3A

## English

In English this term we will be focusing on changing the ending of fairy tales. The students will be introduced to the text 'Jack and the Beanstalk' and will learn it through our Talk 4 Writing sequence. The students will build a toolkit for writing fairy tales and use this when writing their own invented version of a fairy tale, with a focus on changing the end of the fairy tale. During take one book week the children will be focusing on the story 'the Giraffe and the Pelly and Me'. They will complete a variety of activities based on this book such as 'praise games', writing a short narrative and sequencing the story

## Performing Arts

In Performing Arts this term, students will be learning about all three disciplines of Performing Arts.

In Dance students will be taught short, simple choreographed routines. They will also be given the opportunity to choreograph their own routines.

In Music students will sing and play a variety of songs linked to their class topic.

In Drama students will explore the discipline / genre of storytelling through famous children's stories.

## Islamic

In Islamic we will be focusing on:

Recite Surat Al Kawthar correctly.

Explain the overall meaning of the surah.

Clarify the favour bestowed by Allah, Glory be to him, upon his prophet, peace be upon him .

Explain the importance of agricultural environment for human life.

Be keen on protection the agricultural environment.

## Moral, Social and Cultural Studies

In Moral, Social and Cultural Studies, we will be focusing on friendship and why having strong friendships is important. We will explore the idea that friends can have different backgrounds, opinions and interests and look at what makes a good friend.

## Science

This term in science the children will observe and describe how seeds and bulbs grow into mature plants. They will start the term finding out about the germination process in which they will have a go at germinating their own beans. After this the children will then keep a plant diary where they observe and describe how plants grow in different conditions. This will lead them to a deeper understanding of what the environmental and physical factors plants need to grow healthily.

## Topic

In Topic we will be learning about the history of toys. We will be comparing toys in the past and the present from different eras such as the Victorian era. The students will then use this knowledge to create their own toy in Term 3B.

## PE

During physical education next term Year 2 will be participating in an attack, defend shoot unit where there will be a focus on sending and receiving a ball using feet as well as recall and link combinations of skills. In gymnastics learners will create and perform a simple sequence.
