## PRINCIPAL'S WELCOME

Dear Parents and Guardians,

Welcome to GEMS Metropole School, where we are dedicated to fostering an enriching and supportive learning environment for your child. As we embark on another exciting academic year, we are thrilled to have you as part of our vibrant school community.

This Parent's Handbook has been meticulously crafted to provide you with all the essential information you need to support your child's educational journey with us. Within these pages, you will find comprehensive details about our school's expectations, key events, academic activities, and various opportunities that will help your child thrive both academically and personally.

At GEMS Metropole School, we believe in a collaborative approach to education. Your involvement and partnership are crucial to ensuring that your child maximises their potential. This handbook will serve as a valuable resource, guiding you through the nuances of school life and helping you understand how best to engage with and support your child's learning experience.

We are committed to maintaining open lines of communication between school and home. Should you have any questions or require further assistance, please do not hesitate to reach out to us. Together, we can create a nurturing and dynamic environment that encourages your child to excel and reach new heights.

Thank you for entrusting us with your child's education. We look forward to a year filled with growth, achievement, and memorable experiences.

Warm regards,

**Mr. Nav Iqbal**

Principal / CEO

## OUR VISION

An inspiring and inclusive community hub, developing future leaders

## ACADEMIC CALENDAR 2025-2026

TOTAL NUMBER OF TEACHING DAYS = 182

### WINTER TERM 2025 - 65 SCHOOL DAYS

New Student Induction Day	25th August 2025
First academic day for students (Years 1-13)	26th August 2025
First day of staggered start (FS1 & FS2, details to be provided)	1st September 2025
Mid-Term Break	13th - 17th October 2025
Winter Break	15th December 2025

### SPRING TERM 2026 - 58 SCHOOL DAYS

First day of Spring Term	5th January 2026
Mid-Term Break	9th - 11th February 2026
Spring Break	23rd March 2026

### SUMMER TERM 2026 - 59 SCHOOL DAYS

First day of Summer Term	6th April 2026
Last academic day for all students	3rd July 2026

## GEMS CONNECT

### GEMS Connect

As a newly enrolled GEMS Metropole parent, you will be receiving an e-mail with your GEMS portal login credentials (username and password). Once your account is active, the credentials can be used for the GEMS Connect app.

GEMS Connect is the parent portal that all parents need to install on their devices (mobile, laptop...etc.) through the App Store or Play Store.

Gems Connect is a one stop hub for parents to access information relating to their child and whole school. They can find information on there about school trips, fees, payments, school bus services, student profile, ECA's, communication from the school and much more. Please click on the link below for further information:

### GEMS Connect

If you are having difficulty with the App, please email [itsupport\\_mts@gemsedu.com](mailto:itsupport_mts@gemsedu.com) for support with log in credentials. Make sure you state the following in your request: Student name & class, student ID number, parent name and parent's registered email address with GEMS Metropole School.

## GO4SCHOOLS

### School Reports

You will now be able to access your child's report via [Go4Schools](#). You will be able to access it using your registered email address and your set password.

For first time user, please follow the steps below:

1. Click the **orange Login button** and select **Parents Login**
2. Click the middle option (**First-time user?**)
3. Enter your **personal email address** registered with our school. You will receive an email from Go4Schools to set a password - please follow the instructions.
4. You should then be able to log into Go4Schools, using the **Parents Login** and **Sign in with Go link**.
5. Once logged in, click **Reports** on the left-hand menu

### Progress

On Go4Shools you can monitor your child's progress by subject.

### Attendance

On Go4Schools you can monitor your child's attendance and punctuality.

### Timetable

On Go4Schools you can view your child's weekly timetable.

## GEMS AMBASSADOR PROGRAMME

GEMS Ambassador Programme is an exclusive rewards programme for our community of students, parents and staff designed to make quality education accessible.

With the GEMS Ambassador Programme , GEMS families can explore a range of earning opportunities which help towards reducing the overall impact of annual school fees. Whether making savings through student referrals, our GEMS FAB Credit Card or earning GEMS points by making hotel and flight booking or purchase of gift cards on the GEMS Rewards App, our GEMS families can enjoy incredible benefits and discounts across various experiences including: dining, shopping, leisure, entertainment, beauty, wellness, travel and much more

For more information click on [Click here](#)

Refer a friend to a participating GEMS school and earn 4% in GEMS Points towards school fees on successfully enrolled referrals.

Earn GEMS Points towards school fees with partners on the GEMS Rewards App.

Discover incredible deals and start saving by redeeming exclusive offers across our network of partners on the GEMS Rewards App.

Pay Tuition fees in advance with your FAB GEMS co-brand card to avail discounts of up to 4.25%.

## GEMS REWARDS

GEMS Rewards is an exclusive rewards programme for our community of students, parents and staff designed to make quality education accessible.

With GEMS Rewards, GEMS families can explore a range of earning opportunities which help towards reducing the overall impact of annual school fees. Whether making savings through student referrals, our GEMS FAB Credit Card or earning GEMS points by making hotel and flight booking or purchase of gift cards on the GEMS Rewards App, our GEMS families can enjoy incredible benefits and discounts across various experiences including: dining, shopping, leisure, entertainment, beauty, wellness, travel and much more.

Earn GEMS Points towards school fees with partners on the GEMS Rewards App.

Discover incredible deals and start saving by redeeming exclusive offers across our network of partners on the GEMS Rewards App.

Pay Tuition fees in advance with your FAB GEMS co-brand card to avail discounts of up to 4.25%.

## ACCOUNTS

### Fees and Payments

We endeavour to make our payment process as easy as possible with a range of simple and straightforward payment options, as well as a clear, concise fee structure. You'll find everything you need to know about our fees and payment process on our school website. Of course, if you have any queries, please do not hesitate to contact us: Telephone: +971 4 550 7200 | Email: [finance\\_mts@gemsedu.com](mailto:finance_mts@gemsedu.com)

### Payment Policies

The tuition fees are due prior to the start of the academic year and payable in advance of attendance, at the start of each term. Tuition fees will be invoiced from the time of admission to ensure that payments can be processed before the start of the term. If your circumstances change, it is essential that you contact us in advance of the deadline so that we can guide you on available options. Please note, all tuition fees are in accordance with the fee structure established by GEMS Education under the guidance of KHDA established School Fee Framework.

These fees are subject to change in accordance with Article 51, Bylaw of Federal Law No. (28) of 1999 Concerning Private Education and applicable regulations.

### Payment of Fees

The Application Fee (525 AED including VAT) is payable at the time of the online registration, this charge is to process the application of new students. If new students enroll at a school during the course of the academic year, the school can charge tuition fees starting from the beginning of the month of enrolment.

Schools can collect annual tuition fees in three instalments, due at the beginning of each term. The first term's payment will be 40%, the second 30% and the third term 30% of annual tuition fees.

## ACCOUNTS *continued*

### Refunds

In the cases of both existing and new students, the registration and re-registration deposit will not be refunded unless there are extenuating circumstances. These circumstances include but are not limited to relocation to another country/Emirate or any other unforeseen circumstances.

In the case of refund, the school fees will be calculated as follows:

Tuition fees paid prior to the beginning of the academic year are refundable and only the registration / re- registration fees will be deducted.

If the student was enrolled in the school for two weeks or less, a month's fees will be deducted.

If the student was enrolled in the school for a period ranging between two weeks and one month, two months' fees will be deducted.

If the student was enrolled in the school for more than a month, the full terms fees will be deducted.

## TRANSPORT

### Overview

STS Group proudly provides GEMS Metropole School with exceptional transportation services, bringing over a decade of experience as a trusted partner in the education sector. Renowned for their commitment to safety, reliability, and innovation, STS Group operates an extensive fleet of Smart Buses equipped with advanced technology, including CCTV surveillance, ADAS cameras, and GPS tracking. Each bus also features an RFID system, Child Check Button, and motion sensors, all monitored by their 24/7 Operations Control Centre (OCC). STS Group's core values—Safe, Timely, Smart—are reflected in their rigorous training programmes for bus drivers and guardians, ensuring adherence to road safety management and safe driving practices. Their operations consistently exceed regulatory requirements, with a strong focus on maintaining safety and delivering excellence in every aspect of their service.

### Please note the following points:

- The transport fee is applicable and charged for the academic year. Full payment for each term must be made irrespective of the number of school days in any given month or student bus usage, this includes full or partial exam period, and any study leave. The fee is based on the school term as communicated by the school and or regulatory body.
- Service discontinuation will only be accepted by STS at the end of an academic term. Parents should provide at least two-weeks' notice to the representative of STS in the specified form. If any parent applies for discontinuation before the end of the academic term, no refund will be provided for any unexpired period of that term.
- Parents must provide the Transport Area Change form available at the STS counter in the school or website at least two weeks in advance. The parent will be informed of the availability of seats and routes by the STS Service Delivery Executive.
- Allocation of the buses will be based on seat availability and route coverage. The parent will be informed of the availability of seats and routes by the STS Service Delivery Executive. STS reserves the right to decline any provision of service.

For transport-related queries, please contact the STS Service Delivery Executive:

- **Name:** Ramya Ashok
- **Email:** [sde-mts@sts-group.com](mailto:sde-mts@sts-group.com)
- **Contact Number:** + 971 558732800

Please visit the STS Group website at [www.sts-group.com](http://www.sts-group.com) for Terms and Conditions, fee payment, and other relevant information.

## EQUIPMENT LIST

FS – Year 1
Book bag only (no trolley bags are allowed)
Change of clothes
Lunch box
Water bottles
Hand sanitizer

Year 2 - Year 6
Book bag/ small bag only (no trolley bags are allowed)
Lunch box
Water bottles
Hand sanitizer
Personal Device (iPad fully charged) E-safety required
<b>Pencil case contains:</b>
Ruler   Glue stick   Writing pencil(s)
Pen (for older students who write in pen)
Coloured pencils
Scissors (age appropriate)
Highlighter (if students would like to use them)
Protractor (Year 4, 5 & 6)

Year 7-13
Combination padlock for lockers
Year 7 - 9 iPad compatible with the latest iOS E-safety required
Y10 - 11 Apple MacBook (Students should transition from an iPad to a MacBook) E-safety required
Years 12-13 Choice of device, Apple products recommended. No e-safety required.
Personal device chargers and compatible headphones (iPad / MacBook)
Hand sanitizer
Water bottle
Personal reading book
<b>Pencil case contains:</b>
Writing pencil(s)   Eraser   Sharpener
Pens (1 blue, 1 black, 1 green, 1 purple)
Highlighter(s)   Glue Stick   Scissors
Ruler   Scientific calculator (Casio)
Maths set with protractor and compass

## DEVICES REQUIRED

All students from Year 2 to Year 9 are required to have an iPad. Please make sure that the iPad has the latest iOS version and is not less than 64GB. In Senior School, students are expected to move over to a MacBook.

As stated in the parent-school contract, it is a requirement for all students from Year 2-11 to be enrolled to the school's mobile device management system (MDM). Without this, students will not have access to the Wi-Fi network, nor the school's paid educational applications.

Year group	Device required	Additional information
Years 2-8	<p><b>iPad</b>  <a href="#">Click here for the MTS E-Store</a></p>	We recommend to purchase an iPad keyboard and an iPad Pen.
Year 9	<p><b>iPad</b>  <a href="#">Click here for the MTS E-Store</a></p> <p>If the iPad is still supported by the latest iPad iOS then students should continue using their iPad</p> <p>However, if the current iPad is no longer supported by the latest iPad iOS, or the child wishes to move to a full size device, a MacBook can be purchased in preparation for Y10</p>	We recommend to purchase an iPad keyboard and an iPad Pen.
Years 10 to 13	<p><b>MacBook</b>  <a href="#">Click here for the MTS E-Store</a></p> <p>For years 10-11 students should transition from their iPad to a <b>MacBook</b>, which they will use throughout the Senior School.</p> <p>Years 12-13 can choose their own device but Apple products are recommended. E-safety is not required.</p> <p>The student's old iPad may still be necessary for certain GCSE, A-Level, and BTEC courses.</p>	iPad Pens may be suggested by teachers for students studying certain GCSE, A-Level, and BTEC courses.

## APPLE - MINIMUM SPECIFICATIONS REQUIRED

Please note that we do not ask parents to upgrade their children's devices at given points through the academic year; the decision is based on if the device is supported by the latest OS and if the child has a preference for a full-sized device. The tables below may help:

### 2025-2026:

Device	Specification Required for School
iPad	8th Generation and above. 64gb minimum
iPad Air	4th Generation and above
iPad Pro	iPad Pro 11-inch 3 <sup>rd</sup> Generation and above iPad Pro 12.9-inch 4 <sup>th</sup> Generation and above
iPad Mini	5th Generation and above
MacBook	MacBook Pro and Air released in 2019 and later

### Additional Information:

#### Apple Intelligence is compatible with these devices.

Apple Intelligence is free to use and will initially be available in U.S. English. Coming in beta this fall.\*

iMac  
M1 and later

Mac mini  
M1 and later

Mac Studio  
M1 Max and later

Mac Pro  
M2 Ultra

## SCHOOL UNIFORM

Our school uniforms is available from THREADS - The Uniform Store <https://www.threadsme.com>. Please note that the uniform should ONLY be procured from THREADS to ensure uniformity of style and fabric. Substitutes are not acceptable.

We expect all our students to come to school properly groomed and dressed appropriately. This ensures we set a professional work ethic. If the uniform gets damaged or discoloured, we request that a replacement be purchased at the earliest.

Students must be aware that our expectations are the same when they are wearing the Metropole uniform outside of school. We request the parents to support their child meeting the above expectations.

Students should wear their lanyards with a student ID to school every day.

The school is divided in 4 divisions:

Forest School	Values School	Active School	Future School
(Foundation Stage to Year 2)	(Year 3 to Year 6)	(Year 7 to Year 9)	(Year 10 to Year 13)

**CORE UNIFORM Y3 - Y6 (Values School)**

NAVY TRACK PANT 115

WHITE SOCKS NAVY UNISEX JACKET

**CORE UNIFORM Y7 - Y9 (Active School)**

**GIRLS**

NAVY T-SHIRT AED:91

NAVY SHORTS 100

NAVY TRACK PANT 115

WHITE SOCKS NAVY UNISEX JACKET

Please note: The Active School students wear this uniform as both their PE kit and their daily school uniform.

## SCHOOL UNIFORM

*threads*<sup>TM</sup>  
Dressing Future Leaders

## SCHOOL UNIFORM

### Shoes – *Forest School, Values School, Future School*

Students' shoes should be black, polished leather and with navy blue/white socks based on which division of the school the student represents. Girls are not allowed to wear heels. Students (FS to Year 6) have to wear black velcro shoes & Future School students have to wear standard black plain shoes (Year 10 – Year 13 boys' shoes should have laces on them).

**If the student does not have the correct footwear, they will be sent home.**

### Footwear – *The Active School*

In The Active School the correct school trainers are sports shoes designed for physical activity, offering support, comfort, and durability. They are not fashion trainers, which are often designed for style over function. The correct design of the shoes is more important than the colour. We do not have a set colour of trainer for The Active School, so focus on choosing a shoe that supports your child's physical activity and comfort.

**If the student does not have the correct footwear, they will be sent home.**

## SCHOOL TIMINGS

Day	Year Group	Start & Finish	Start of day	End of Day for Bus Students	End of Day for Non-Bus Students
Monday to Thursday	Foundation Stage	7.25am – 12.45pm	Children should arrive no earlier than <b>7.25am</b> and be in class no later than <b>7.45am</b>  The school day starts at <b>7.45am</b>	12.45 pm	Doors open for pick up at 12.45pm
	Year 1 - 13	7.25am – 15.05pm		Bus students will be dismissed at 14.55 pm so buses can leave school site promptly at 15:05pm	Non-bus students will be dismissed at 15:05 pm
Friday	Whole School	7.25am – 12.00pm		Bus students will be dismissed at 11:45am on Fridays.	There will be no lunchtime in school on Friday as students leave school at 12.00pm

## LITTLE ACORNS CRÈCHE

GEMS Metropole School is delighted to announce that the Little Acorns Crèche is available for all Foundation Stage students whose parents wish for them to stay for the full day at school (until 3.05 PM). When the learning day finishes at 12.45 PM, students are then cared for in our crèche facility.

If you are interested in enrolling your young child to the crèche, kindly contact your child's class teacher at the start of the academic year.

The Sibling Club is offered at no additional cost and is supervised by our Teaching Assistants. Students join with children from other classes and are able to continue to use our FS classrooms and outdoor facilities.

Parents who would like to take advantage of the crèche, should provide an additional snack for your child for the afternoon session.

## ATTENDANCE AND PUNCTUALITY

### Attendance

GEMS Metropole School promotes high levels of attendance and punctuality across the school. There is a clear connection supported by research, between high levels of attendance and achievement.

- Students are expected to attend school every day unless they are unwell. If a student is absent for three or more consecutive days due to illness, a medical certificate must be provided. Without appropriate medical documentation, the absence will be recorded as unauthorised.
- Family holidays should be organised in school holiday time. Time off school for holidays, weddings, birthdays and family celebrations will not be approved.
- Approved leave is granted on a case-by-case basis by the Head of School, this can only be granted for extenuating circumstances where evidence is provided.
- If a student is absent, the following link must be completed by 7.45 AM on the day of the absence : - **[Student's Absence Request Form](#)**

Failure to meet the expected attendance threshold of 98% will result in a series of escalating interventions. In cases where attendance falls below 75%, and there is no sustained improvement, a student may be required to repeat the academic year in line with our attendance policy.

### Punctuality

Students are expected to be in class and ready to learn before the National Anthem, which is played promptly at 7:45 AM. Any student arriving after this time will be marked as late. Persistent lateness will be addressed with parents and, if it continues, escalated to the Senior Leadership Team. In line with school policy, ongoing failure to arrive on time may result in a block on the student's re-enrolment for the next academic year.

### Early Leave Release

There may be an occasion where a student needs to leave the school site in the day. The following link must be filled in to request early release. Please note, students cannot be collected for early release after 2:00 PM due to staffing and end of the day duties. Proof of the reason for early leave such as doctors note will be need to be shared with the reception on collection: **[Request Early pick up link](#)**

## ATTENDANCE AND PUNCTUALITY

### Parent Parking Permit

Parents of students from Foundation Stage 1 (FS1) up to Year 2 are eligible to receive a parking permit that allows access and park at the school's internal parking area. Kindly ensure to complete the required form through the link below to allow us to get your car badge ready. Collection will be from reception. [Request for MTS Parent Vehicle Permit for Parents of FS1 to Year 1 only](#) , [another form for others](#)

### Sibling Pass

Sibling Pass allows elder siblings in Years 3 and above to collect younger siblings from their classroom and either meet parents on the school premises or walk home. If you wish your elder child to get a Sibling Pass and collect their younger sibling from their classroom, please fill in the required form through the link below. Student should be in Year 3 or above. [Request for Sibling Pass Form](#)

### Home Alone Pass

Students in Years 3 to 6 can get a Home Alone Pass allowing them to leave class and/or school premises without an adult. If you wish your child to have a 'Home Alone Pass' and leave their classroom by themselves, please fill in the required form through the link below. Student should be in Year 3 or above. [Request for Home Alone Pass Form](#)

### Picking up Students

To ensure a smooth and safe dismissal process, parents are requested to adhere to the following times when picking up their child:

- **8:00AM -2:40 PM-** Parents **can** enter the school reception if they need to collect their child. A member of the support team will then go to the classroom and collect the student on your behalf.
- **2:40–3:05 PM-** Parents are not permitted to enter the school buildings during this time, as a large number of students are moving between areas. Furthermore, support staff who usually assist with student pick-up are busy with end-of-day preparations.
- **During the last half hour:** parents are not permitted to enter the school buildings, whether for meetings, or to the registration department or cashier, unless they have an official invitation issued by the school administration, which must be presented upon entry.

### EXCEPTIONS

- **Parents of SEND students:** in the Inclusion Department who hold a Purple Lanyard.
- **Parents may access the school clinic:** only if their child is there and the clinic has requested their presence.
- **Emergency or exceptional cases:** parents may enter the school with approval from the Principal/CEO or MSO. In their absence, the Vice Principal may grant permission.
- **Lift Pass:** Lift pass is granted in certain cases in accordance with the school's related policies.
- **Lost and Found:** School policies related to this matter must be followed.

## WELLBEING

At GEMS Metropole School, we believe that everyone's wellbeing is fostered through experiences of belonging, building relationships, being accepted and valued, and positive community engagement. We aim to provide opportunities for all community members to develop awareness of their wellbeing and responsibilities, and to commit to becoming valuable members of the global community.

### Our Wellbeing Vision

**'We are proactive in promoting wellbeing, allowing us all to personally thrive'.**

This vision is based on a proactive, positive psychology model, reinforced through the PERMAH framework, allowing our community to build personal happiness and wellbeing.

Our vision is achieved through the PERMAH model of wellbeing, based on Martin Seligman's positive psychology research, which includes:

- **Positive Emotions:** Reflecting on what is going well and spending time with loved ones.
- **Engagement:** Participating in enjoyable activities.
- **Relationships:** Building positive, caring, and supportive relationships.
- **Meaning:** Linking activities to the outside world and understanding our role in helping others.
- **Accomplishment:** Setting and achieving personal targets and celebrating successes.
- **Healthy Lifestyles:** Being active and knowledgeable about healthy lifestyles.

We prioritise student wellbeing with a comprehensive program that promotes safety, inclusion, attendance, and engagement. Our approach fosters school values, meets individual needs, and builds character, leadership, and resilience. We provide health and wellbeing education, counseling, and external support, while honoring student voices through council representatives and a wellbeing leadership team. Initiatives include positive mental health activities, a House system, and student-led mental health awareness campaigns. Online tools like YouHQ and our Pupils Attitudes to Self and School survey (PASS) support and assess wellbeing. Transition programs, workshops, and a new student induction program ensure smooth transitions and continued support for all students.

**youhq**  
BY LIFE ON TIME

## ENRICHMENT

### House System

There are four houses which are named after four popular racing teams they are:

**Ferrari**, **McLaren**, **Mercedes**, and **Williams**

Our House System is a cornerstone of school life, fostering a strong sense of community and belonging among staff, students, and parents. It encourages teamwork, promotes healthy competition, and provides meaningful opportunities for students to grow into well-rounded individuals and future leaders.

House Captains, selected for their exemplary conduct and leadership qualities, play a pivotal role in driving House spirit. They lead their teams, organise events, and oversee the collection of House Points. Teachers award House Points for a wide range of positive behaviours including effort, achievement, good conduct, sportsmanship, and alignment with our core school values, learning skills, and the PERMAH wellbeing model.

A variety of events and competitions are held throughout the year to engage all students and build House identity. These include 'House Colour Day', charitable initiatives, inter-school sports tournaments, and ongoing challenges such as inter-house reading contests and general knowledge quizzes. All events contribute to House Point totals, promoting widespread participation and a vibrant, competitive atmosphere.

At the end of each term, House Points are totaled, and the winning House is rewarded with a celebratory afternoon, recognising their collective efforts and achievements.

## ENRICHMENT *continued*

Enrichment through extra-curricular activities (ECAs) is a vital part of a well-rounded education. ECAs provide students with opportunities to explore new interests, develop valuable skills, and build social connections beyond the classroom. These activities enhance learning through practical experiences, teamwork, creativity, and resilience. Participation in ECAs not only enriches the educational experience but also helps students develop talents, leadership skills, and confidence for future challenges.

As part of our enrichment programme, we offer both free and paid clubs for students. We also offer free clubs for parents.

**Free Learning Clubs:** These clubs focus on academic enrichment and intellectual development. They provide students with opportunities to deepen their understanding of subjects they are passionate about, support their studies, and acquire new skills.

**Free Activity Clubs:** These clubs emphasise physical activity, creativity, and social engagement. These clubs help students stay active, express themselves artistically, and develop teamwork and social skills.

**Paid Clubs:** In addition to our regular clubs, we offer a selection of paid clubs through our partnership with ESM. These clubs provide specialised activities and expert coaching beyond what the school can offer.

### How to Register:

#### Registering for a *Paid* Club

- You can register your child for paid programmes at any time during the term via the [ESM website](#).
- Please note that registration is not possible within 24 hours of a programme's start date.
- For assistance, please contact **Gwyn Williams**, the Relationship Manager for ESM:
- Email: [gwyn@esm.ae](mailto:gwyn@esm.ae)
- Tel: 055 350 7664

#### Registering for a *Free* Club

- Registration for free clubs opens when the sign-up window is announced. The exact registration dates are communicated by the Heads of Year.
- Sign-up is also done via the [ESM website](#).
- For more information, please refer to the ECA brochures which can be found under '[Student Life](#)' on the school's website. Parents can sign-up for *parent clubs* through the links within the ECA brochures.

### Get Involved!

Participating in ECAs is a fantastic way for students to enrich their school experience, discover new passions, and develop essential life skills. We encourage all students to explore the available clubs and take advantage of these valuable opportunities.

[Click here to browse ESM activities](#)

## ENRICHMENT *continued*

### Trips and Visits

We are proud to offer a variety of both day and overnight trips that promote academic and personal wellbeing. These experiences further enrich our extracurricular offerings by exposing students to diverse cultures, environments and learning opportunities. In the Primary School, we have 2 offsite trips linked to our curriculum themes to extend learning beyond the classroom. In the Secondary School, we have implemented Metropole without walls week that will host our UAE day trips as well as residential and international trips. These trips not only support academic growth but also promote personal development, resilience, and a global perspective, ensuring our students are well-prepared for the future.

We view every visit as an experience for the pupils and an opportunity for them to develop. All experiences are risk assessed, and we adhere to rigorous health and safety requirements. Every trip is reviewed, and we do not always do the same international and local trips every year. We aim to balance learning experiences with affordability and impact.

Field Trips

## HEALTHY SCHOOL MEALS

Our canteen is cashless, so please refer to Slices (under GEMS Connect Portal > Resources section) to find details about how to top up your child's ID with money.

Forest School (FS1 – Y2) are not able to order any food from Slices. They all need to bring a packed lunch with them which they will eat in the canteen.

FS1 - Year 2 students should bring their own packed lunches.

Year 3 - 6 have the option of bringing a packed lunch from home or visiting the school canteen. Year 3 are allowed to visit the canteen from Term 2 onwards only.

Secondary lunch is available in the canteen. Year 7-9 students can access this in the first 20 minutes of lunch and Year 10 & 11 students can access it in the last 20 minutes of lunch. Sixth Form students are able to access the café in the Sixth Form center during free periods and at break / lunchtimes.

Students should bring a full water bottle to last them for the full day at school.

### FOOD IN CLASSROOMS (for parties and treats)

If your child wants to bring a birthday treat, encourage them to bring in an item for the classroom such as a classroom book (signed and dated by your child) or other classroom supplies such as pencils, erasers, etc. **not** a food item. The reason for this is the growing number of students who struggle with food allergies, diabetes and childhood obesity.

Any time that food is brought into school by a teacher or student, a "food review" check needs to be completed via the clinic to ensure teachers account for all allergies prior to distributing food in their classroom. Any food items that have not been approved will be returned to the parents at the end of the school day.

## STUDENT BEHAVIOUR EXPECTATIONS

### Metropole Behaviour Policy Aims

It is our aim that every member of the school community feels valued and respected, and that each person is treated fairly. We are a caring community, whose values are built on the GEMS Jewels of Kindness and our school's Core values. The school's behaviour policy is therefore designed to support the way in which all members of the school can work together in a supportive way. It aims to promote a positive environment which encourages good behaviour and student wellbeing.

At GEMS Metropole, we have a positive and inclusive approach to managing behaviour. We believe in developing positive relationships through a restorative approach, which promotes self-esteem, self-discipline and establishes clear expectations of all members of the school community. Recognition, positive reinforcement and encouragement are used as much as possible in all situations.

### Rewards

We believe strongly in the importance of promoting and praising good behaviour. The role of rewards and praise is a key component of developing the potential of all students at GEMS Metropole. Students' effort and good behaviour is rewarded and celebrated by teachers in many ways, including;

- House points
- Verbal praise
- Positive postcards
- Emails and phone calls to parents
- Certificates, prizes and awards at assemblies and whole school events
- In class rewards and certificates
- HPL Teddy Bear
- Tea Party with Head of Infants
- GEMS Metropole Tables Awards
- Displays or work
- Leadership responsibilities
- Principal's gold star
- Lunch with the Principal (Y3-Y6)

## STUDENT BEHAVIOUR EXPECTATIONS *continued*

At GEMS Metropole School, we have a positive and inclusive approach to managing behaviour. We believe in developing positive relationships through a restorative approach, which promotes self-esteem, self-discipline and establishes clear expectations of all members of the school community. Recognition, positive reinforcement and encouragement are used as much as possible in all situations.

### Rewards at GEMS Metropole

Reward	Purpose
House Points (Metropole Merits) and Squirrel Points (Y3-Y6)	To reinforce positive behaviour, such as, <ul style="list-style-type: none"> <li>• excellence in student work</li> <li>• demonstrating the school values and High-Performance Learning Skills</li> <li>• great effort</li> <li>• manners</li> </ul>
Verbal Praise	In the moment positive reinforcement to highlight success, a positive change or acknowledging school values in action
Positive Postcards	Individual cards crafted by a member of staff to celebrate a specific success story demonstrated by a student in class, in school or at an external event. An example of this in secondary would be the Metropole Excellence
Emails and Phone Calls to parents	Teachers celebrating and acknowledging student success, growth or achieving a target with the child's parents
Certificates, prizes and awards at assemblies and whole school events	Celebrating student success with our school community at weekly, termly or at end of year events. Examples include receiving a values certificate for demonstrating our school values and High-Performance Learning for displaying HPL skills in learning. 'Best Dressed' certificates for those classes who collectively and consistently wear the correct uniform in the Junior School.
Displays of student work	Celebrating and displaying excellence in student work with our school community across class, year groups and school corridors
Metropole Magnificence	Celebrating extraordinary achievement both in and out of school. Certificate awarded and students sign the Principal's book of achievement.
HPL Teddy Bear	Students in Foundation Stage 1 and 2 who have demonstrated a HPL skill across the week are rewarded with the HPL Teddy visiting their home for the weekend by their class teacher.
Teddy Bear Tea Party with the Head of Infant School	FS 1 and 2 students who were awarded the HPL Teddy Bear have tea with the Head of Infant School.

## STUDENT BEHAVIOUR EXPECTATIONS *continued*

### Achievement and Behaviour

Throughout each stage of the school students are rewarded daily, weekly, termly and yearly for exhibiting excellence in their work and demonstrating the school's core values and HPL learning skills. We also have yearly and special awards for outstanding contribution to the school and wider community. Please refer to our rewards policy for further details and information.

### Secondary Rewards Systems at GEMS Metropole

Reward Stage	When
R1	Daily
R2	Weekly
R3	Termly
R4	Yearly
R5	Special Awards

### Behaviour and Sanctions at GEMS Metropole

At our school, we promote positive behaviour by recognising potential and celebrating success. We also know that it is important to have appropriate consequences, which are fair and applied consistently. These sanctions are intended to encourage students to reflect on their behaviour and choices.

## STUDENT BEHAVIOUR EXPECTATIONS *continued*

Foundation Stage		
Behaviour Stage	Who	Strategies and sanctions
B1	Class Teacher	Teachable moment
B2	Class Teacher	Name put on the Cloud Teachable moment dealt with by classroom teacher. Parents informed. Appropriate interventions applied.
B3	Class Teacher and Head of Year	Thinking Chair Parents are informed by the class teacher. Appropriate interventions applied.
B4	Head of FS/Head of Pastoral involved and parents asked into school	Head of FS informed and they will ask to speak with the child's parents. Appropriate interventions applied.

Primary		
Behaviour Stage	Who	Strategies and sanctions
B1	Teacher	Teachable Moment.
B2	Teacher / Head of Year	Reflection time with the teacher. Teacher to contact parents. Head of Year is informed.
B3	Head of Year / Assistant Head of Primary	Reflection time and sheet completed with the Head of Year. Head of Year to contact parents and meeting arranged. Assistant Head of Primary informed. Appropriate interventions applied.
B4	Assistant Head of Primary / Deputy Head of Primary (Pastoral)	Assistant Head of Primary contacts parents. Reflection time with AHT. Parents are invited into school to discuss the behaviour with Assistant Head and HoY. Deputy Head of Primary is informed. Appropriate interventions applied – e.g. Individual Behaviour Plan
B5	Deputy Head of Primary (Pastoral) / Head of School	Deputy Head of Primary informs parents. Parents are invited into school to discuss the behaviour with DHT and HoS. Formal letter given. Appropriate interventions applied.

## STUDENT BEHAVIOUR EXPECTATIONS *continued*

Secondary		
Behaviour Stage	Who	Strategies and Sanctions
B1	Class Teacher	Teachable Moment
B2	Class Teacher	Verbal Warning and internal log made
B3	Class Teacher	Break time reflection issued, contact made with parents
B4	Behaviour Hub	After school reflection issued, parental communication and appropriate interventions applied
B5	Behaviour Hub and Senior Leadership Team	Senior Leadership intervention – Parents called in for a meeting, stage Letter system enforced internal exclusion

Throughout each stage of the school students must demonstrate behaviour in line with our school behaviour policy. Our primary goal is to focus on the positive actions and behaviour of all our students as we aim to create a calm, caring and supporting learning environment at our school. We believe in teachable moments to help guide and companion our students. However, any student who does not meet the school expectations inside or outside of the classroom will face sanctions and intervention measures. These measures are put in place for students to reflect on and improve the choices that they make. Please refer to our behaviour policy for further specific details and information regarding each stage.

Our specialist 'Behaviour Hub team is dedicated to supporting students with consistent behavioral challenges. The behavior team, consisting of 1 Behavior Support Manager, 2 Behaviour Support Leads, 1 Behaviour Support Assistant, and 3 School Counselors, who work to maintain a positive school environment and support student well-being.

The Behavior Specialists conduct thorough assessments and develop personalised Behavior Intervention Plans (BIP) tailored to individual needs. They provide ongoing counseling and closely monitor progress to ensure effectiveness.

They also support students with significant behavior issues (B5), providing guidance and assistance to ensure they receive the education they deserve. Through mentoring programs, they help students overcome challenges and thrive both academically and socially.

## BEHAVIOUR SUPPORT SERVICES

At GEMS Metropole School, the Behaviour Support Service (BSS) is a structured, inclusive, and student-centred approach to behaviour management. It is designed to ensure that all students feel supported, valued, and equipped to succeed—both academically and personally—within a safe and respectful learning environment.

A key focus of the BSS is to provide meaningful support for students who may face behavioural challenges, including those who receive a B5 sanction (a serious incident as per our school's behaviour policy). These students are offered personalised interventions that help them reflect on their actions, rebuild relationships, and positively re-engage with school life. Through consistent mentoring, restorative practices, and proactive strategies, we work together to remove barriers and support each child's ongoing development.

The BSS operates with a clear structure and team roles to ensure effective delivery. It includes mentoring, observation procedures, and a tiered response model using the Behaviour Intervention Pyramid. All student behaviour is closely monitored using Go4Schools, helping staff and families to stay informed and respond consistently.

In partnership with the wider Metropole counselling team, we provide access to emotional and psychological support where needed—ensuring each child is understood holistically, not just by behaviour. Relevant documentation and resources are readily available to support timely communication and intervention.

Our dedicated Behaviour Support Team—comprised of a Behaviour Support Manager, two Behaviour Support Leads, and a Behaviour Support Assistant—works across the school in close collaboration with staff and families. By maintaining open communication and shared goals, we help students learn from challenges and return to the classroom with confidence and purpose.

At the core of our approach is a belief in early intervention, personal growth, and positive reinforcement. With the right support and understanding, every student can thrive and play a positive role in our school community.

## FOR PARENTS

### Safety & Parent ID

For students' safety and verification of adults on school grounds, it is essential that all parents wear their parent lanyard every time they are on the school premises, so please make sure to submit your picture to school reception who will issue the ID for you and send it to your child's classroom during their first week of school.

### Parent Ambassadors

The Parent Ambassadors are a body of parents which represents all the parents and caregivers of the children at Metropole. The Ambassadors work in partnership with the school to create a welcoming and inclusive environment for all the metropole families. It represents the views of the parents and caregivers on the education provided by the school and other matters affecting the welfare of the students. Parents are encouraged to approach any Parent Ambassador to share their comments or suggestions.

Besides these important matters, the Parent Ambassadors organise several fun-filled events throughout the year like the Winter/ Spring fair, the International Day, Diwali, Prophet's birthday, coffee mornings for parents and many more. Some fundraising activities are also held to help the community like during Breast Cancer Awareness Month and for the Ramadan Fridge campaign. In addition, the Parent Council supports the school in various events organised them like the Sports Day, National Day, Winter Celebrations, Book Week, year-end Disco and many others.

If you would like to know more about the working of the Friends of Metropole or would like to volunteer, please get in touch with us at [parentambassadors\\_mts@Gemsedu.com](mailto:parentambassadors_mts@Gemsedu.com)

GEMS METROPOLE SCHOOL  
PARENT AMBASSADORS

## ASSESSMENT

### School Reports/ Reporting

Throughout the academic year, five data summary reports are produced. Each half-term a data summary report identifies the progress a student is making against their baseline/target grade and will also include their 'current working at grade' (CWA).

At the end of the academic year, the student's report is a written report that details the attainment and pastoral successes of the students, within all core and non-core subjects. Parents will be able to access reports via Go4Schools.

### Information About Statutory Assessments

#### CAT4

Personalised provision for individuals and groups of learners encompasses the use of data and assessment at GEMS Metropole. Initial CAT4 testing is given to all new students, in Year 3 and above, so that teachers have a clear indication of a student's potential academic attainment level. The triangulation of cognitive potential (CAT4), internal assessment information and external assessment information is used on a day-to-day basis to inform the personalisation of learning experiences, in order to meet every individual student's needs.

#### NGRT

Each term, students in Year 2-10 will completed the New Group Reading Test (NGRT) which assesses three areas: phonics, passage completion and sentence completion. This information is used to guide reading intervention and challenge for students, as well as a measure of progress over time.

#### PTs

Progress Tests are completed in Years 2-10 in English and Maths and Years 3-6 and 8-10 in Science. These assessments assess the students' curriculum attainment in core subjects against the National Curriculum expectations and will be completed in Term 3.

A reporting and assessment schedule will be shared with parents at the start of the academic year.

## TEACHING AND LEARNING

### Teaching And Learning At GEMS Metropole School

Our school provides a world class, international education to students from all over the world. Our culturally diverse student-body influences our programme as we tailor the traditional English curriculum to meet the needs and expectations of the modern global student whilst also taking into account the unique cultural setting in the UAE.

The modern global student lives in a world where digital literacy is paramount in order to be real-world ready. It is our goal to prepare students for the world they will work in ...the world of tomorrow. As a GEMS Education school, learning through innovation, growing by learning, pursuing excellence and global citizenship are at the heart of our teaching philosophy. We ensure students harness the latest digital technologies and to develop world class learning skills as they grow to become ready for their future career pathways and are lifelong learners.

All learners are encouraged to lead their own learning through our unique enquiry-based learning pedagogy. Through this approach, learners will be provided with a range of opportunities to lead their own learning and systematically develop advanced cognitive characteristics.

### Learning Skills

Students at GEMS Metropole School develop the language and skills to help them explain the current stage of their learning and the next steps they need to take to improve and deepen their understanding. Our approach to learning skills, recognises that all learners have the potential to achieve the very highest results and develops the attitudes and performance characteristics required for this to happen.

### Feedback For Students

Feedback is an essential component of world class learning. Our approach is that feedback should inform next steps and move learning forward. Feedback does not have to be in the form of written comments in the children's books. It is often more powerful and personal for the teacher to talk to the child about their work and tell them what they have done well and what they need to do next. Research shows that peer assessment can be even more impactful than feedback from the teacher. This helps students to reflect on their own learning and deepen their understanding of concepts through explaining them to others. Opportunities for self and peer assessment are built into our feedback policy. Students have the opportunity within a lesson to respond to verbal feedback given and make adjustments and improvements to their work which helps to secure their understanding. At times, a written comment that helps the child understand what they need to do next is used if the teacher is not able to speak to the child individually.

## PARENTAL ENGAGEMENT

Communication between teachers and parents is key to the success of every child. At GEMS Metropole School we have regular opportunities for teachers to provide feedback to parents on students' attainment, progress and personal and social skills as well as opportunities to share general information about the learning for their child.

In the secondary school, parents meet with the class teachers in Terms 1 and 2. In Term 3, parents meet with the child's Lead teacher during the Student Led Conference Day. All teacher meetings can happen in person or online.

In addition to these opportunities, throughout the year, parents are invited to attend a variety of workshops to gain an insight into the learning in class and how they can support their child at home.

### Net Promoter Score (NPS Survey)

The Net Promoter Score (NPS) is our parental survey designed to measure the satisfaction of our families. Conducted twice a year in November and May, it offers parents a valuable opportunity to share their feedback about their school experience. We strongly encourage all parents to participate in this survey, as it plays a critical role in identifying our strengths and areas needing improvement. The feedback collected is carefully analysed by the school leadership team and becomes an integral part of our school development plan, guiding our efforts to prioritize and address the feedback provided.

### Escalation Policy

If you have any concerns please contact the class/lead teacher first as they are the best person to answer your query. If the problem has not been resolved you can escalate to the Head of Year.

In the small minority of cases that are not addressed at this point, your concern can be escalated to the senior leadership team in writing. We ask parents to follow the above escalation policy to ensure that any concern is resolved in a timely manner.

Please click here to [view](#) the policy

## MUSTANG SPORT

All students at GEMS Metropole School have the opportunity to represent the school in competitive DASSA leagues across Dubai we trial all students between year 3 - 13 during PE lessons in September. We proud to have 63 different competitive squads into the competitive leagues each year with over 1000 students representing the school.
