Approved by:	Mr. Naveed Iqbal
Date of review:	December 2020
Next review date:	September 2022

Purpose

All students are eligible for admission to GEMS Metropole School if it is believed that the school can meet their particular needs. We do not discriminate on the grounds of nationality, race, gender, religion, social class or special educational needs and seek to accept all qualified students who apply. All applicants for places are required to provide a recent report from the previous school. If there is no school report, they will undertake a placement test which will be marked by staff in school and the Principal will review the placement. In the event of an admissions request for a child with Additional Needs, the Inclusion Department will undertake a holistic assessment to determine the child's requirements.

Placement in all classes will be made by the Heads of School on the basis of the child's previous educational record, the assessment of the school and meeting the MOE and KHDA requirements regarding age and year group.

GEMS Metropole values working in partnerships with parents and in the interest of providing high quality education appropriate to the need of the child, requires parents to provide all relevant documentation prior to the enrolment to support effective placement of the child.

The Admission Process:

Enquiry

Parents can find an application on the school website, or it can be completed manually by a member of the admissions team.

Admission policies and procedures have been established to make certain that students are appropriately placed at GEMS Metropole School, while maintaining the integrity and consistency of school policies and the application process. A student's admission is not conditional on a medical diagnosis. Accurate placement will ensure that those students admitted benefit fully from the educational programming offered and that they will have a higher probability of a successful learning experience. The Admissions team is committed to working together with families to determine the educational placement that is best for each student.

Parents, upon making an enquiry will receive a phone call from our admissions staff within 24 hours.

Registration

Parents can submit an application for their child/ren through the school's website by clicking on "Enrol Now". In order to complete their registration, a parent must supply all required information including names, dates of birth and grade/year of application. Where required, the parent is also asked to pay the Application Fee of AED 525. This fee includes standard assessment fees. The application fee is not deductible from the tuition fees.

The Application Fee is:

- Refundable if the school does not offer the student a place. Unless, the child's registration is carried forward to the following academic year.

- Non-refundable if the school offers the student a place but the student chooses not to take it.
- Not deductible from the total tuition fees to be paid if the student is offered and accepts a place.

Once the Application Fee is paid, parents will receive a communication of receipt. This receipt will also include a link which allows parents to upload documents and enter more information. Document upload is not mandatory at this time, but encouraged to ensure speed and accuracy during the admissions process.

Screening and Assessment

GEMS is a non-selective and fully inclusive network of schools. Students must be placed based on a school report from the child's previous school. This includes age requirements, school complete documents, academic standards and being able to rightfully remain in the country.

Screening and assessments to determine the right placement within GEMS Metropole school and support personalised learning pathways may be undertaken before the student starts. Screenings and assessments may consist of 1:1 phonics screeners, reading, writing, maths, social skills and/or CAT4.

An assessment specific to students with Additional Needs and English Language Learners may be conducted by the Head of Inclusion or a member of the English as an Additional Language Team.

For incoming students of determination, the following measures are used to help assess the level of individual need and to ensure that appropriate provisions can be made for each student:

- Parent/Carers are required to disclose any Special Educational Need that has been previously identified.
- Student's application needs to be accompanied by previous academic reports, previous provision plans, individual Education Plans and any previous medical/psychological assessments that are relevant to the application.
- Foundation Phase students are assessed in a group environment in order to take into account social abilities and school readiness.

Entry to sixth form is conditional to meeting the following:

- the minimum requirement of 5 (i)GCSEs at grade 4 or above
- individual subject requirements as per the course choice information. Some subjects have higher entry requirements than others, so please refer to entry requirements document provided
- completion of a CAT4 assessment with A-Level predicted grades taken into account
- positive reports for the past 2 years from previous schools (external candidates)
- successful interview with the Sixth Form team (all candidates)

Offers made will be conditional to attaining the relevant grades. A Sign-Up day will be held in August, prior to the start of term and after GCSE results are released. Students who do not meet the minimum requirements will be dealt with on an individual basis, with predicted grades and attitude to learning taken into account.

Students applying to GEMS Metropole Sixth Form from curriculums other than the National Curriculum of England are welcome to apply and offers will be made based on their suitability for the course based on the above criteria.

Within 24 hours of the screening step, the student will be offered a seat, placed on the waitlist, or referred to another GEMS school.

Offering a Seat

When there is available space in the requested year, an applicant may be offered a seat within 48 hours of registration. GEMS schools have the right to revoke the offer at any time during the admission process if the conditions of the offer are not met.

GEMS Metropole will make every effort to ensure that the enrolment of Students of Determination is open, fair and in the best interests of the student at all times.

We recognise the importance of identification as early as possible for potential students with Additional Needs in order to identify whether suitable, individualised intervention can be supplied within an Inclusive main-stream school.

Should GEMS Metropole feel that a student may benefit from placement within the alternative curriculum of the Unity Class, a referral will be made by the Head of Inclusion to the Neuropedia Children's Neuroscience Centre with the parents' agreement and a meeting with the parents will occur to discuss next steps to enter into the Unity Class.

Should GEMS Metropole feel that a student may benefit from placement within the senior alternative curriculum of ASDAN, a meeting will be arranged with the Head of Inclusion to discuss next steps.

Class Placement

The goal of the class placements is to create homogenous sections within each year level. Each of the sections will be as balanced and diverse as possible considering the following student characteristics:

- English language fluency
- Educational needs
- Ability level
- Mother tongue language
- Additional Needs

Waitlisted Applicants

When there is no seat available in the requested year level, an applicant is placed on the waitlist. At time of communicating to a parent that a child is on a waiting list, the student will be referred to another GEMS school.

All students on a waiting list should be telephoned regularly and kept informed about open seats and the possibility of being placed. Bi-weekly email communication to be sent to all families waiting for a seat.

If Metropole is unable to offer a place for the application, parents can either claim the refund or keep the student on the waitlist for future enrolment. If parents choose the refund, the amount will be refunded for the entire amount of AED525/- including VAT in the same mode as originally paid by parent, i.e. through credit card.
